INDEPENDENCE

**August 14, 1947**, the real new beginning. Creation of our homeland, offering our forefathers hope for a prosperous and independent future! This specific event also brought anxiety, pain, loss, death and sacrifice all of which became the necessary ingredients for this hope. Without these sacrifices, the creation of our homeland was not possible. Rida Kazmi has tried to present a mix of these emotions in her paintings.

Rida completed her Bachelors in Fine Arts from Center of Excellence in Art and Design at Mehran University of Engineering and Technology Jamshoro, Hyderabad. She is also a member of International Watercolor Society (IWS) Pakistan. She has participated in many National and International watercolor events.

Using “Acrylic on Canvas” as her medium, and using bold colors to express emotions Rida has been able to portray the event of birth of our nation in a very intense manner which truly depicts the feelings of that time.

The hope of our forefathers is still in us which has carried our nation through difficult times. Rida’s paintings are a true reminder of this hope, a testament to our Country’s creation!
